Starter:

Are you believing God to send a revival in these last days? Let's explore the seasons of ruin, repentance and revival found in Joel chapters 1-2.

Discussion:

1. Read Joel 1:1-7. What season is Joel talking about here? Has the church ever gone through a similar season?

2. Read Joel 2:12-17. What can we learn about the season of repentance found in this passage?

3. Let's explore some of the characteristics found in the season of revival. Read the Scriptures and share a testimony of how God has impacted your life through any of the characteristics listed below:

    a. Protection - Joel 2:20-22a
    b. Provision - Joel 2:22b-24, 26a
    c. Pay back - Joel 2:25
    d. Praise - Joel 2:26b
    e. Presence - Joel 2:27a
    f. Peace - Joel 2:26b-27b
    g. Power - Joel 2:28-29

Diving Deeper:

Take heart in the knowledge that before Jesus returns, a powerful revival is prophesied to take place. So, despite discouraging news, we can look forward to a brighter future yet to come.
