Recorded Sermon: https://www.youtube.com/watch?v=HGT0_PfPVwA&t=161
July 23, 2023, Pastor Mark Scarr

Starter:
What is one of your gifts or skills that you have developed your potential in and how does it add value to you, your family and your personal community?

Discussion:
1. What is the context in which we are to reach God's potential in our life? Philippians 2:12-13 and Proverbs 9:10-11
2. When you think about being like stars in the sky for God, what does that look like in your life? Philippians 2:14-16
3. Meditate on Philippians 2:17 and ask God to reveal to you how He wants you to be poured out like a drink offering.
4. Share some of the areas where you find it difficult to do everything without grumbling or arguing and consider what plans you can have in advance to avoid this. Philippians 2:14
5. Share a time where you met someone whose joy, peace or love in the way they interacted with you was a beautiful witness of God in their life? Philippians 2:15
6. What's one new or different thing you can do this week to continue to mature in Christ and develop your God-given potential?

Diving Deeper:
Consider pouring your life out in prayer: praying for our pastors, their families, our church (our sisters and brothers in Christ), our families, our schools with the upcoming school year and our city.
