SOME OPTIONS FOR MEETING ONLINE
Be sure to test in advance to ensure all group members can login to the meeting.

- Zoom (free): 40 minutes and then restart the meeting using the same link. This is a familiar app for many people.
- Teams (free): 60 minutes and then restart using the same link. Some people cannot get this app to work, especially on a phone.
- WhatsApp (Free): Video meetings for up to 32 people for an unlimited duration. Everyone must have the app on their phone or computer to participate.
- Facebook Messenger (Free): Limited to 50 participants; unlimited duration. Leader needs a messenger account. You can send a link to people who don't have the app.
- Google Meets (Free): Up to 100 participants. Meet for 60 minutes and then restart using a second link. Host of the meeting needs a google account. You can send a link to people who don't have an account.
