Polished Arrows
Recorded Sermon: https://www.woodvale.ca/pastservices
September 3, 2023, Pastor Mark Scarr

Starter:
Share a time where you participated in archery, darts or a shooting event of any nature.

Discussion:
1. Meditate on Ephesians 1:11, Ephesians 2:10 and Psalm 139:14 as you invite the Holy Spirit to help you see how God has fearfully and wonderful made you and chosen you for a purpose.
2. What are some good examples you can see where God has grown your character? Romans 5:3-4
3. Read and reflect on 1 Peter 2:1. What are some of things that you are being prompted to leave behind or rid yourself of?
4. What does speaking the truth in love look like to you and how does that impact your approach to your earthly, daily walk? Ephesians 4:15
5. Craft a prayer asking God to strengthen your frame, and to receive a fresh anointing of the Holy Spirit in your life. Isaiah 58:11, John 15:4
6. What's one thing new or different you can do this week to allow yourself to be an arrow in the hands of a loving God?

Diving Deeper:
Listen again to the sermon and pray for the church body and specifically for our children to be polished arrows in the hands of a loving God in this season.
