Starter:

Let's dive deeper into the importance of the Holy Spirit and the need for a fresh daily outpouring of His presence.

Discussion:

1. What is the difference between how the Holy Spirit works in an individual's life before they are saved vs when they are saved? (John 6:44, John 16:7-8, John 14:16-17, 1 Corinthians 6:19)

2. Read Joel 2:28-29, Matthew 3:11, Luke 24:49, Acts 1:4-5, and 2:39. The Holy Spirit had a very important mission to accomplish; He was prophesied about, preached about, and promised in the Scriptures. Who were the people that spoke about Him, and what did they have to say?

3. Read Numbers 11:24-30, 1 Samuel 10:6, Acts 1:12-14, and 2:16-18. There were moments in the Old Testament when the Holy Spirit came upon specific chosen individuals. In what ways does the Holy Spirit work differently in the New Testament?

4. Let's discuss the outpourings of the Holy Spirit found in the book of Acts:
   i. The JERUSALEM outpouring – Acts 2:1-4
   ii. The SAMARIA outpouring – Acts 8:14-17
   iii. The CAESAREA outpouring – Acts 10:44-46
   iv. The EPHESUS outpouring – Acts 19:1-6

5. What do we learn about the importance of the Holy Spirit in the following Scriptures: Acts 1:4-8, Acts 4:31, Ephesians 5:18?

6. What is tongues?

7. Have you ever used your heavenly prayer language when you didn't know how to pray? What was the result?

Diving Deeper:

We are limited in our ability to accomplish things by relying solely on our own strength. That is why it is important to continually seek God for a fresh daily outpouring of the Holy Spirit.
