Starter:
Did you know that God desires for us to experience life in the supernatural? The word supernatural means to tap into heaven's resources to solve life's problems. So, let's explore keys on how to walk in the supernatural.

Discussion:

1. How did Moses holding up his hands affect the battle? What do you think this tells us about the role of prayer and support from others in our lives? Exodus 17:8-13

2. Moses had this 'tent of meeting' to experience God's presence. How can we, in our daily lives, create our own 'tent of meeting' to feel closer to God and experience His presence? Exodus 33:7-11

3. Eldad and Medad prophesied in the camp without leaving it, which was unexpected. How can being open to the unexpected help us experience God in new ways, and how can we encourage each other to be more receptive to the prophetic? Numbers 11:24-29

4. How do Joshua and Caleb's perspectives on the Promised Land differ from the others', and what does this teach us about the role of perspective in experiencing the supernatural? Numbers 14:6-9

5. God tells Joshua to keep His words on his lips and to meditate on it day and night. How can reflecting on God's Word help us in our walk, and what are some practical ways we can keep God's Word in our minds throughout the day?

6. Can you share an example of how walking in the supernatural has impacted those around you? What would have happened if you had walked in the natural rather than in the supernatural?

Diving Deeper:

Each morning let's invite God to guide our steps and lead our way. Let's yield our plans and seek His divine agenda instead. Ask God to direct you to divine 'God moments' and 'God opportunities'.
