Series Title: JOSHUA SERMON SERIES - Part 2: The Right Side of the Jordan.
Key Scripture: Joshua 3:1-17 NIV
Recorded Sermon: www.woodvale.ca/pastservices/joshua-series
Date + Speaker: October 8, 2023 | Pastor Mark Scarr

Starter: Imagine yourself with the people of Israel, standing on the banks of the Jordan River. Joshua has just said "God will make a way for you". The Jordan River is overflowing. Then you see the priests step into the water. Suddenly the river stops completely. How would you react seeing such a miracle happen?

Discussion:

1. Read Joshua 3:1-4. "You will go where you have never gone". Have you ever stepped out in faith and obedience to God even though you were afraid? What did God do in that situation? How did you know He was with you through it all?
2. Is there an area in your life in which you sense God calling you to step out boldly in faith?
3. God called the priests to first take a step of faith by walking into the river before God stopped the flow of the water and dried the ground. Pray that you would take faithful steps as God calls you to different acts of obedience.
4. Share about the many ways God has shown His faithfulness to you in the past. The testimonies of God's power will build your hope and trust in Him.

Diving Deeper: Ask God to help you trust in Him as you step out boldly in faith. Be secure in the truth that He remains the same God who led the people of Israel safely across the Jordan River. God keeps His promises.
