Series Title: Your Worldview Matters
Key Scripture: Romans 12:1-2
Recorded Sermon: www.woodvale.ca/pastservices/v/your-worldview-matters
Date + Speaker: September 8, 2024; Pastor Mark Scarr

Starter:
Have you ever had someone act in a manner that you wondered, “What were they thinking?”

Discussion:

1. Apart from the Bible, what else could be the source of our worldviews?
2. What life questions do our worldviews help us answer?
3. How do our world views affect our beliefs, actions and decisions?
4. Every day we are affected and influenced by the worldviews around us. How do we sift and choose the influencers of our worldviews?
5. Pastor Mark gave examples of some faulty worldviews. What are other examples of faulty worldviews? What Christian principles can we use to correct them?
6. If we build our lives on faulty worldviews, the results will be disastrous. What kind of outcomes can we get from building on faulty worldview foundations? On what issues do people hold worldviews that are contrary to the Bible?
7. Situations can make us change our worldviews? What situations can make us change our worldview? What worldviews do we then adopt in response to the changed situations?

Diving Deeper:

1. What worldviews seem biblical but are not scripturally supported?
2. What absolute Christian truths conflict with the worldview that truth is relative?
3. The mind is the stronghold for the devils faulty thinking. We must learn the truth of God's Word and transform our mind - 2 Cor 10:5. How does the truth of God's Word transform our minds?
4. Incompatible and contradictory worldviews cause chaos and confusion. What incompatible worldviews are people trying to live by? How does the right worldview bring clarity?
